Preregistration Information

The **FIRST EDITION** of the Schedule of Classes should be used only **DURING PREREGISTRATION.** Sections or courses may be cancelled and/or added as a result of class enrollment observed during Preregistration.

The **SECOND EDITION** of the Schedule of Classes should be used **AFTER PREREGISTRATION SCHEDULES ARE MAILED..** The Second Edition reflects changes made to course offerings since the First Edition was printed. It shows courses and/or sections added and omits courses and/or sections deleted since the First Edition. Thus, courses may appear on the preregistration Schedule that exist but did not appear in the First Edition.

The University of Maryland uses an individual student's social security number as his or her identification number for University records. If you do not wish the University to use your social security number for this purpose, write the Office of Registration, North Administration Building, College Park, Maryland 20742. The University will then assign its own number to you for record keeping purposes.

The provisions of this publication are not to be regarded as an irrevocable contract between the student and the University of Maryland. Changes are affected from time to time in the general regulations, in class scheduling, and in the academic requirements.

Teacher's Preregistration

Who?
Teachers who have previously been admitted to the University of Maryland College Park Campus, either graduate or undergraduate, and who were not invited to preregister. Undergraduate students not currently enrolled (Fall 1981) must apply for readmission in Room 1130 North Administration Building (454-2734) where a preregistration form will be issued. Graduate students not currently enrolled (Fall 1981) must check with the Graduate School (South Administration) (454-3141) to determine eligibility. A blank preregistration form could then be picked up at the Registration Counter (first floor North Administration) between 8:00 a.m. and 7:00 p.m. on October 28 and between 8:00 a.m. and 5:00 p.m. on October 22, 23, 26, 27.

When?
October 22-28
Extended hours: October 22, 23, 26, 27 until 7:00 p.m. and October 28 until 4:30 p.m.

Where?

Schedule Request Form Directions

Note that on your Schedule Request Form the shape of the numbers that you must print are different from previous Schedule Request Forms. Use the numbers in the top margin as a guide.

Who?
All students registered in courses offered by the University of Maryland College Park Campus (UMCP) for the Fall 1981 Semester who wish to preregister for courses offered at UMCP during the Spring 1982 Semester, and who are financially eligible to participate.

When?
Oct. 11th — Invitation to Preregister postcards will be mailed to eligible students. Eligible students who do not receive a postcard should call the Registrations Office, 454-5559, or contact their College or Division office.

Oct. 22nd — Students should begin picking up registration materials at the location indicated on their post card.

Oct. 28th — Deadline for turning in Schedule Request Form and other registration materials to the location where materials were received.

Where?
Distribution —
Registration materials will be distributed by the academic departments: the invitation postcard indicates the department where a student's materials will be located. Distribution timetables may vary according to the department.

Collection —
Students should return registration materials to their department.

Academic questions concerning degree requirements, course descriptions, or course prerequisites should be directed to the academic departments, the college deans, or the division provosts. Questions concerning registration materials can be answered by the departments, the deans, the provosts, or the Registrations Office (454-5559).

The Schedule Request Form is a REQUEST. Because of adjustments made between the publication of the First Edition of the Schedule of Classes and the actual sectioning process, some times/locations of course offerings may change. Please consult the Second Edition of the Schedule of Classes.

There are several reasons why legitimately requested courses are not received. The sectioning process will not schedule a time conflict. The maximum number of credits which can be received via preregistration is 19. Some courses are *by permission only*. If you are in doubt about a course's availability, please consult the department. Students may be denied enrollment by departments in *by permission only* courses. Since students are sectioned based on the total number of credits earned (highest first) some courses/sections may be closed when the process reaches a specific individual. Other courses may have been cancelled by the time sectioning occurs. In preregistration courses are filed to 90% of capacity.

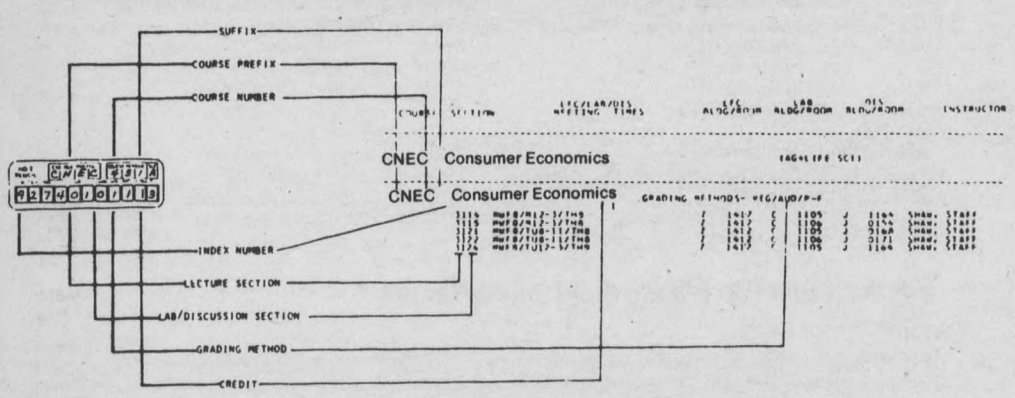
Students who do not receive a preregistration schedule in the mail by January 7th should contact the Registration Office (454-5559) prior to the Armory Registration period.

How?
Using a *number two pencil only, fill in the date, phone (day), birthdate, name, and signature at the bottom of the form and scheduling method code at the top.*

Check your Schedule Request Form carefully. Since the form will be optically scanned, be sure that the form is not damaged and the information you write is clear and accurate. Correctly written Course Index Numbers are vitally important. **YOU MUST MAKE YOUR NUMBERS EXACTLY LIKE THOSE APPEARING AT THE TOP MARGIN OF THE FORM. FAILURE TO COPY THESE NUMBER SHAPES ACCURATELY COULD ADVERSELY AFFECT THE ACCURACY OF YOUR PREREGISTRATION REQUESTS.**

Fill in the course information as specified in each box. You must print the *course prefix*, the *course number*, the *suffix (if applicable)*, the *index number*, the *grading option (OPT) code* and the *credit* for every course requested. This information corresponds to what is printed in the "Course Listing Information" section of this Schedule of Classes:

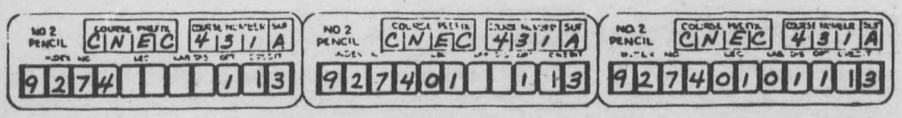
(OPT) = 1-Regular; 2-Pass/Fail; 3-Audit; 4-Satisfactory/Fail



NOTE: If you are taking a course for 10 credits or more, trace the line in the first section of the CREDIT box and fill in the appropriate digit in the second section of the box. If you are taking a course for 9 credits or less, fill in the appropriate digit in the second section of the CREDIT box, leaving the first section blank. *Course may not be taken for credits other than the number indicated in the "course offerings" section.

*The LEC (lecture section) and LAB/DIS (lab/discussion section) do not always have to be filled in. In this case, you have three (3) options:

1. If you fill in the index number only, leaving LEC and LAB/DIS blank, an attempt will be made to schedule you into that particular course, any available lecture section, any available lab/discussion section.
2. If you fill in the index number and LEC, leaving LAB/DIS blank, an attempt will be made to schedule you into that particular course and lecture section, any available lab/discussion section.
3. If you fill in the index number, LEC and LAB/DIS, an attempt will be made to schedule you into that particular course, lecture section and lab/discussion section.



You have a choice of two (2) Scheduling Methods — Alternate Course of Alternate Program.

Regardless of which method you choose, *the registration system will consider ALL courses listed in the primary (A) column first.* Alternates will be considered only when primary requests are unavailable. The system will not schedule a time conflict.

Neither method requires you to indicate either first or second alternates. However, it will be to your advantage to supply the system with possible alternatives should your complete primary schedule be unavailable as specified. This will reduce the chance of a partial schedule.

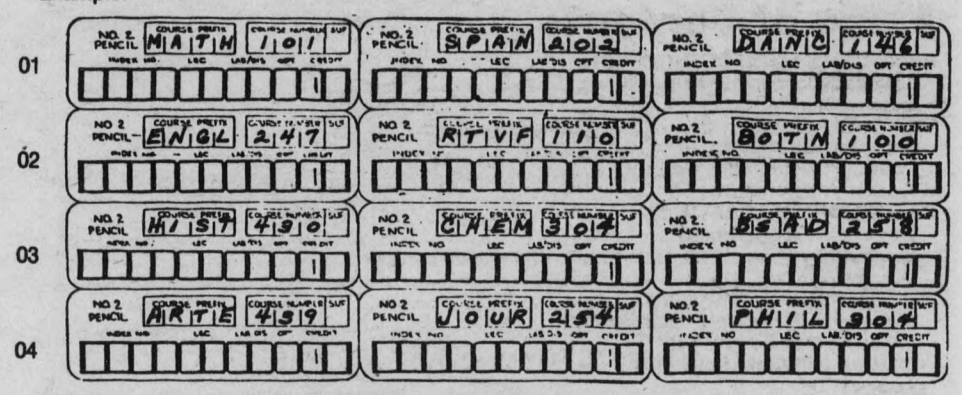
The sectioning process uses the method selected by the students to determine how to process a student's request. Regardless of what order a student places courses in the primary (A) column, the sectioning process will take place starting with the course with the fewest available sections.

For the Alternate Course Method up to six attempts are made, assuming they are necessary and that the student has alternate choices. The last three of these will consider all possible sections if the specified section(s) are not available. If none of the six attempts yields a completely sectioned schedule, then the attempt which sectioned the largest number of credits is selected.

For example:
1. Primary choice schedule, requested sections
2. Alternate choice schedule, requested sections
3. Alternate choice schedule, requested sections
4. Primary choice schedule, all possible sections
5. Alternate choice schedule, all possible sections
6. Alternate choice schedule, all possible sections

For the Alternate Program Method the sectioning process begins as in the Alternate Course Method, i.e., the course with the fewest number of sections first. However, the Alternate Program Method will keep the requests listed in Columns A, B, and C distinct. It will not give a schedule combining requests from the three columns.

Example:



Under the ALTERNATE COURSE method:

The system will schedule all requests in the primary (A) column which are available.

A		
01	MATH	not available
02	ENGL	available — scheduled
03	HIST	not available
04	ARTE	available — scheduled

The system will consider requests in the B column only if the A request in that row was not available.

B		
01	SPAN	available — scheduled
02	RTVF	not considered
03	CECM	not available
04	JOUR	not considered

The system will consider requests in the C column only if neither the A request nor the B request in that row was available.

C		
01	DANC	not considered
02	BOTN	not considered
03	BSAD	available — scheduled
04	PHIL	not considered

For example, final schedule arrived at under this method

	A	B	C	
01		SPAN		SPAN
02	ENGL			ENGL
03			BSAD	BSAD
04	ARTE			ARTE

This method (ALTERNATE COURSE) may schedule a combination of courses requested in different columns.

Under the ALTERNATE PROGRAM method:

The system will consider all requests in the primary (A) column first.
If all courses in A are available as requested, the system will schedule column A.
Columns B and C will not be considered.

A		
01	MATH	available
02	ENGL	available
03	HIST	available
04	ARTE	available

} scheduled

If any of the courses in column A are not available as requested, the system will not schedule any of the courses requested in A.

A		
01	MATH	not available
02	ENGL	available
03	HIST	available
04	ARTE	available

} not scheduled

The system will then consider the courses requested in column B.
If all courses in B are available as requested, the system will schedule column B.
Column C will not be considered.

B		
01	SPAN	available
02	RTVF	available
03	CHEM	available
04	JOUR	available

} scheduled

If any of the courses in column B are not available as requested, the system will not schedule any of the courses requested in B.

B		
01	SPAN	available
02	RTVF	not available
03	CHEM	not available
04	JOUR	available

} not scheduled

The system will then consider the courses requested in column C.
If all courses in C are available as requested, the system will schedule column C.

C		
01	DANC	available
02	BOTN	available
03	BSAD	available
04	PHIL	available

} scheduled

If any of the courses in column C are not available as requested, the system will not schedule any of the courses requested in column C.

C		
01	DANC	not available
02	BOTN	not available
03	BSAD	available
04	PHIL	not available

} not scheduled

The system will then go back over all 3 columns (A, B, and C) and schedule the one with the greatest number of courses available as requested.

A		B		C	
01	MATH not available	01	SPAN available	01	DANC not available
02	ENGL available	02	RTVF not available	02	BOTN not available
03	HIST available	03	CHEM not available	03	BSAD available
04	ARTE available	04	JOUR available	04	PHIL not available
3 courses available as requested		2 courses available as requested		1 courses available as requested	

In this case, the system would schedule a part of column A (courses 02, 03, 04) because that column contains the greatest number of courses available as requested.

This method (ALTERNATE PROGRAM) will not schedule a combination of courses from different columns. All courses scheduled under this method would have been requested in the same column, either A or B or C.

Deadlines for Graduate Students and Part-time Undergraduates

Full-time undergraduate students do not receive a refund for courses dropped if the total number of credits for which they are registered remains 9 or more.

PRIOR TO THE FIRST DAY OF CLASSES, JANUARY 11-12, if a full-time undergraduate student drops a course or courses, thereby changing the total number of credits for which the student is registered to *8 or less*, charges for the semester will be assessed on the basis of the per credit hour fee for part-time students. However, if the student later adds a course or courses, thereby changing the total number of credits for which the student is registered to *9 or more*, the student will be billed for the difference between per credit hour fees paid and the general fees for full-time undergraduates.

If during the FIRST FIVE DAYS OF CLASSES JANUARY 13-20, a full-time undergraduate drops a course or courses thereby changing the total number of credits for which he/she is registered to eight or less, charges for the semester will be assessed on the basis of part-time charges plus 20% of the difference between the full-time fees and appropriate part-time charges. After the first five days of classes, there is no refund for changing from full-time to part-time status.

JANUARY 28 AND AFTER — $2.00 fee is assessed for *each* drop processed (to be billed).

This applies to both graduate and undergraduate students.

Refund Schedule for Dropping Courses
Graduate Students and Part-time Undergraduates

Both graduate students and part-time undergraduates are charged by the credit hour. A percentage charge and/or complete charge for the course may be imposed if the deadlines indicated below are not followed.

1. January 11 and 12 (prior to the first day of classes).....100% refund
   There will be no charge for courses *dropped* on these two days
2. January 13-20 (first five days of classes).....80% refund
   There will be a 20% charge imposed for courses *dropped* during this period.
3. January 21 and after.....0% refund
   Student will incur full charge for courses *dropped* during this period.
4. January 28 and after: a $2.00 charge is imposed for *each* drop processed (to be billed).

Students who wish to drop one course and add another at the same credit level should accomplish both transactions on the *same* day to insure additional charges are not imposed.

NOTE: A drop of one course and a credit level change of equal amount in another course, even if accomplished on the same day, *is not* considered an "even exchange" and appropriate charges for both courses will be imposed.

Cancellation of Registration

Students who preregister or register and later decide not to attend the University must **CANCEL** their registration **PRIOR TO THE FIRST DAY OF CLASSES.** Failure to cancel registration will result in financial obligation to the University even though the student does not attend class.

To Cancel Your Registration on or before January 12:

1. Your cancellation request must be received in writing by:
   Office of Registration — Withdrawal Office — Rm. 1130.
   North Administration Bldg., University of Maryland
   College Park, Maryland 20742

Since the University can honor only those requests for cancellation which are actually received prior to January 13 requests should be sent by Registered Mail. PLEASE INCLUDE STUDENT'S SOCIAL SECURITY NUMBER ON ALL CORRESPONDENCE.

2. For additional information concerning cancellation call the Withdrawal Office, 454-2735.

Reclassification to In-State Status

The deadline for meeting all requirements for an in-state and for submitting all documents for reclassification is the last day of late registration for the semester the student wishes to be classified as an in-state student.

Deadlines

Spring 1982 Semester	January 27, 1982
Summer Session I, 1982	June 1, 1982
Summer Session II, 1982	July 13, 1982
Fall 1982 Semester	September 15, 1982

It is imperative that students who wish to request a review of their eligibility for an in-state classification submit the required documents to the appropriate office as soon as possible. The volume of requests for reclassification may necessitate a delay in completing the review process. It is hoped that a decision in each case will be made within ninety (90) days of receipt of a request for redetermination and all necessary documentation. During this period of time, or any further period of time required by the University, fees and charges based on the previous determination must be paid. If the determination is changed, any excess fees and charges will be refunded. It is to your advantage to apply early.

General Information

Armory Registration Schedule

Priority for New Students and Special Problems
Newly admitted, reinstated and readmitted students who were unable to preregister and those students meeting the criteria for Schedule II will have priority admission to the Armory. This priority access is designed to: 1) help eliminate the overcrowding in the Armory, 2) enable students who really need courses (new registrants and people with partial schedules) the opportunity to register first, and 3) encourage students to take advantage of preregistration and thus avoid the necessity of going to the Armory.

SCHEDULE I — Nonpreregistered newly admitted, readmitted, and reinstated students
Monday, January 11 — 8:30 a.m.-1:55 p.m.

This schedule will apply to newly admitted, and reinstated students who did not preregister. Students in this category should report directly to Reckord Armory according to the alphabetic schedule. Newly admitted students and reinstated students must present their Letter of Admission/Reinstatement signed by their Provost, Dean, or designated representative, to be permitted to enter the Armory. Readmitted students must present their letter of Readmission to be permitted to enter the Armory. While advisement is not a prerequisite for Armory admission for readmitted students, these students are strongly urged to take advantage of campus advisement offices. **Only students who had no opportunity to preregister may register according to this schedule.**

TO REPORT ACADEMIC DISHONESTY DIAL 454-4746 AND ASK FOR THE "CAMPUS ADVOCATE"

Academic dishonesty is a serious offense at the University beause it diminishes the quality of scholarship on our campus and defrauds those who may eventually depend upon our knowledge and integrity.

I. Academic Dishonesty

A. CHEATING

Intentionally using or attempting to use unauthorized materials, information or study aids in any academic exercise.

Comments:

1. Faculty members are encouraged to state in advance their policies and procedures concerning examinations and other academic exercises as well as the use before examinations of shared study aids, examination files, and related materials and forms of assistance.
2. Students completing any examination should assume that external assistance (e.g., books, notes, calculators, conversation with others) is prohibited unless specifically authorized by the instructor.
3. Students must not allow others to conduct research or prepare any work for them without advance authorization from the instructor. This comment includes, but is not limited to, the services of commercial term paper companies.
4. Substantial portions of the same academic work may not be submitted for credit or honors more than once without authorization.

B. FABRICATION

Intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

Comments:

1. "Invented" information may not be used in any laboratory experiment or other academic exercise without notice to and authorization from the instructor.
2. One should acknowledge reliance upon the actual source from which cited information was obtained.
3. Students who attempt to alter and resubmit returned academic work without notice to the instructor would be in violation of this section.

C. FACILITATING ACADEMIC DISHONESTY

Internationally or knowingly helping or attempting to help another to commit an act of academic dishonesty.

Comment:

For example, one who knowingly allowed another to copy from his or her paper during an examination would be in violation of this section.

D. PLAGIARISM

Intentionally or knowingly representing the words or ideas of another as one's own in any academic exercise.

Comments:

1. *Direct Quotation:* Every direct quotation must be identified by quotation marks or by appropriate indentation and must be promptly cited in a footnote. (Proper footnote style for many academic departments is outlined by the MLA Style Sheet or K.L. Turabian's, *A Manual for Writers of Term Papers, Thesis and Dissertations).*
2. *Paraphrase:* Prompt acknowledgement is required when material from another source is paraphrased or summarized in whole or in part in your own words.
   A footnote acknowledging only a directly quoted statement does not suffice to notify the reader of any preceding or succeding paraphrased material.
3. *"Borrowed Facts or Information:* Information obtained in one's reading or research; which is not common knowledge among students in the course, must be acknowledged.
   Materials which contribute only to one's general understanding of the subject may be acknowledged in the bibliography and need not be immediately footnoted.

II. Disciplinary Procedures

Referral and hearing procedures are set forth in the publication *"Academic Dishonesty"* available in the Judicial Programs Office, 2nd floor, North Administration Building (x2927).

III. Penalties

The Code of Student Conduct provides that any act of academic dishonesty, including a first offense, will place the student in jeopardy of "suspension from the University, unless specified miligating factors are present" (part eleven). A repeated violation, or the more serious first offense, may result in expulsion.

Disciplinary records for any act of academic dishonesty are now retained in the Judicial Programs Office for three years from the date of final adjudication. These records are available to prospective employers and other educational institutions, in accordance with federal regulations. Notice has been sent to area and regional graduate and professional schools informing them of University disciplinary record policy. In short, any student committing any act of academic dishonesty will run a serious risk of harming his or her future educational and employment opportunities.

IV. Campus Advocate

Students wishing to report any act of academic dishonesty should call 454-4746 and ask for the "Campus Advocate." The Campus Advocate is a legally trained staff member who will investigate such reports, referring them to the appropriate academic division. Students may provide information anonymously; disciplinary action, however, cannot be taken on the basis of anonymous reports alone.

The Campus Advocate is also available to assist faculty members in the development and presentation of academic dishonesty cases.

For additional information about the Campus Advocate and academic dishonesty dial 454-4636 and ask for Tel-Um tapes:

Academic dishonesty I (information for students): tape number 82

Academic dishonesty II (information for faculty members); tape number 123

Judicial Programs; tape number 97

University College Students

UMUC students *who have completed a minimum of 15 semester hours with UMUC with at least a "C" (2.0) cumulative grade point average,* are eligible to register at UMCP. They must obtain a letter of permission from the UMUC Office of Admission and Registration Services and present it at the Armory in order to complete registration.

Continuous Registration

(Graduate Doctoral Students Only)

Following advancement to candidacy by the Graduate Council for the doctoral degree, every graduate student must register each fall and spring semester until the degree is awarded. Contact the Dean for Graduate Studies and Research for more complete information (454-5428)

Experiential Learning Programs

0119 Hornbake Undergraduate Library, 454-4767

What is Experiential Learning?

Experiential Learning Programs (ELP) offers three of the University's most exciting learning opportunities. Each is designed to give students the practical job experience in their major field which is invaluable for career advancement.

Cooperative Education

Cooperative Education is ELP's most intensive "learn by doing" program. Undergraduates alternate two semesters of full-time, fully paid, career-related work with semesters of full-time study. UMCP Co-op is a fast-growing, popular program that places students from any major except engineering with the area's leading federal agencies and private companies, most of which offer them permanent jobs after graduation. Credit can be earned for Co-op, as well.

Volunteer Service/Learning

Using the ELP listing of opportunities in over 600 different organizations in the area, students can arrange unpaid, not-for-credit placements that enhance their potential while benefitting society.

Internships

An internship is a paid or unpaid work experience that can be granted academic credit. Students use the extensive ELP listings to find their own placements, then enlist a faculty member to evaluate and assign credit to the work experience. A learning contract assures that all parties understand what is expected. Students considering an internship under 386/387 should refer to the discription of Office of Experiential Learning Programs in Section 2 of the Undergraduate Catalog for information on the regulations governing enrollment in these courses.

The Office of Human Relations Programs Wants to Know

Do You Know Your Human Relations Code?

Q. What is the UMCP Human Relations Code?
A. The Code is the campus document prohibiting discrimination within the College Park Campus community on the basis of race, color, creed, sex, marital status, personal appearance, age, national origin, political affiliation, mental or physical handicap, and on the basis of the exercise of rights secured by the First Amendment of the United States Constitution. The Human Relations Code establishes formal grievance and mediation procedures for the Campus.

Q. To whom does the Human Relations Code apply?
A. All UMCP students, faculty and staff in all academic and non-academic units of the Campus. Organizations and committees functioning under the direction and supervision of the campus administration are also expected to abide by its directives against discriminatory behavior.

Q. And what kinds of things could a person complain about?
A. Per Section II. A. 1 and 2 of the Code: Complaints of discrimination may be filed because of race, color, creed, sex, marital status, personal appearance, age, national origin, political affiliation, mental or physical handicap, or on the basis of exercise of rights secured by the First Amendment of the United States Constitution.

Q. How does a person file a complaint?
A. There are two types of procedures:
Formal Process: Article III of the Human Relations Code outlines a procedure which requires an individual to file a formal grievance with the Campus Compliance Officer of the Office of Human Relations Programs, with the EEEO Office of a professional college or department, or with a Divisional Equity Officer. The grievance must be filed within 120 days of the time the allegedly discriminatory act(s) occurred or within 120 days of the time when one first became aware of the act(s).
Informal Process: Article III. D — Any member of the Campus Community who believes that he or she has been or is being discriminated against in ways prohibited by the Code may consult confidentially with any of the persons designated above and ask for help in settling a dispute informally. A majority of the complaints received by the Office of Human Relations Programs are resolved in this manner.

Q. Does everyone have to know I've been there when I come in to discuss something I may want to complain about?
A. Not necessarily. The degree of confidentiality maintained by the office is specified in Article III C of the Code. You are free to decide what sort of assistance you want. You can also be counseled about the kind of help you may need. Some types of assistance can be given without your being identified beyond the Human Relations Office. Other kinds of help may require your permission to reveal your name to a limited extent. The important thing is that you can decide on the kind of help you want and/or whether or not you want to accept the form of help that is available.

Q. How long does it take to resolve a grievance?
A. It depends upon the nature of the case Investigation of each case begins shortly after it is received to determine whether or not a complaint is one which can be handled with the Code and one which appears to be substantive.

Q. Do you ever get any complaints that don't appear to be valid?
A. Sometimes.

Q. Suppose I think mine is valid and someone I complain to offically doesn't agree?
A. You can check out the opinions of the Human Relations Office, an equity officer or an EEEO officer by means of an appeal process which is outlined in the Code.

Q. Is complaining worth the trouble?
A. From January, 1977-December 1977, 40 informal complaints were filed and investigated. During the same period, 39 formal complaints were filed and settled or referred for settlement by means of other more appropriate grievance processes.

Q. Who else on campus besides the Human Relations Office has major responsibility for equal opportunity and affirmative action matters?
A. Each academic and non-academic unit has a person who functions as an equity officer. That is say, he or she is responsible for processing and monitoring equity matters within his/her unit. These people have various official titles such as Assistant Provost, Assistant to the Provost, Assistant Vice Chancellor or Assistant to the Vice Chancellor. They report directly to the administrators to whom their titles designate they are responsible.

Q. Where can I get a copy of the Human Relations Code and possibly discuss something that concerns me?
A. You may speak with any of the following:

Dr. Amel Anderson
Agricultural & Life Sciences
1110 Symons Hall x5981

Dr. Robert Beal
Agricultural & Life Sciences
1110 Symons Hall x5981/2562

1110 Math Bldg. x4596

Dr. Andrew Wolvin

1101 Francis Scott Key x6794

Q. Does the Human Relations Office work with other organizations on campus to combat discrimination?
A. Yes, with both on-campus and off-campus organizations. Such groups have access to other forms of technical and consultative assistance on request.

Q. Can I or my organization come in and discuss an idea for addressing discrimination on the UMCP Campus?
A. Certainly. Students, faculty, and staff often do and are welcome. You are encouraged to speak with Human Relations Office staff and with Campus equity officers in the Vice Chancellors and Provosts offices as well.

Q. What if my filing a grievance results in some form of retaliation against me? What can be done?
A. Actions undertaken to eliminate discriminatory treatment include negotiation and persuasion. These have proved successful in discouraging retaliation against complainants.

Q. What about students with legitimate complaints of unfair treatment that may not be related to acts of discrimination? Is there a student grievance procedure that provides protection for them?
A. Such a procedure was initially proposed by the Human Relations Office drafted by the Campus Senate and reviewed by the Chancellor. It was recently remanded by the Chancellor to the Senate Executive Committee. The Committee will consider it further and may amend it prior to presenting it again to the Senate body. Should the Senate vote to do so, it will again transmit the procedure to the Chancellor for approval.

Guidelines to Administration for Examinations and Tests on Religious Holidays

Examinations and tests. All examinations and tests shall be given during class hours in accordance with the regularly scheduled (or officially "arranged") time and place of each course listed in the *Schedule of Classes and/or the Undergraduate Catalog.* Unpublished changes in the scheduling or location of class/tests must be approved by the department chairman and reported to the Provost. It is the responsibility of the student to be informed concerning the dates of announced quizzes tests and examinations

It is the policy of the University to excuse the absences of students that result from religious observances and to provide without penalty for the rescheduling of examinations that fall on religious holidays. Examinations and tests may not be scheduled on Rosh Hashannah, Yom Kippur, or Good Friday.* An instructor is not under obligation to give a student a make-up examination unless the absence was caused by illness, *religious observance* or by participating in University activities at the request of University authorities.

A make-up examination, when permitted, must be given on Campus, unless the published schedule and course description require other arrangements. The make-up examination must be at a time and place mutually agreeable to the instructor and student, cover only the material for which the student was originally responsible, and be given within a time limit that retains curency of the material. The make-up must not interfere with the student's regularly scheduled classes. In the event that a group of students require the same make-up examination, one make-up time may be scheduled at the convenience of the instructor and the largest possible number of students involved. Under the same guidelines students shall have equal access to all information and drills missed due to the reasons listed.

*For the academic year 1980-81, this means Friday, April 17, for Good Friday.

Services and Resources

Veterans Benefits

Students attending the University under the Veteran's Education Assistanced Act (Title 38, U.S. Code) who completed Preregistration will be certified on the basis of preregistration course requests. This certification should be verified by the student at the Registration Office, North Administration Building, 8:30-4:30 Monday through Friday.

Enrollment Certification and VA Payments

1. *How to compute payments based on enrollment status*

Undergraduate student enrollment status is based on the number of credits for which the student is registered. Graduate student enrollment status is based on the number of units for which the student is registered. Courses taken as "AUDIT" cannot be counted toward credit for graduate or undergraduate students. Charges are the same for audit and for credit courses.

TABLE FOR COMPUTING GRADUATE UNITS

000-399	2 Units per credit

500-599	5 Units per credit
600-898	6 Units per credit

Graduate Students will not be certified for any course below the 400 level unless it is required by their department and a letter stating this is approved by the Graduate School, South Administration Building, and submitted to the Veteran's Affairs Office when registering.

2. *Table for payment during the Fall and Spring Semesters effective January 1, 1981.*

Identification Cards

New Photo Transaction Cards will not be issued to students who currently have them.

Students who preregistered for the Spring 1981 session will receive a new Registration Card along with their Class Schedule and Bill. This card will validate their Photo Transaction Card. Both cards should be carried at all times.

Students who do not preregister will receive identification cards when they do register.

Together the Photo Transaction Card and Registration Card can be used by all students to withdraw books from the libraries, for admission to most athletic, social, and cultural events, and as a general form of identification on campus. Students who have food service contracts must use the Photo Dining Services Card for admission to the dining halls.

There is a replacement charge of $1.00 for lost or stolen Registration Cards and $7.00 for lost, stolen, or broken Photo Transaction Cards.

Questions concerning the identification system should be addressed to the Office of Registrations (454-5365).

Financial Information

Tuition, Fees and Other Expenses

ALL STUDENTS WHO PREREGISTER FOR THE FALL SEMESTER INCUR A FINANCIAL OBLIGATION TO THE UNIVERSITY.

The University of Maryland does not have a deferred payment plan. Payment of all past due balances and current semester fees is due on or before the first day of class.

It is the policy of the University *not* to defer payment of fees on the basis of a pending application for financial assistance to an outside agency. This includes Veterans Administration, banks, guaranteed student loan programs, etc.

Returning students will not be permitted to complete registration until all financial obligations to the University including current semester fees, library fines, parking violation assessments and other penalty fees and service charges are paid in full. If a student registers without proper financial clearance from the Office of the Bursar, his/her registration will be cancelled without further notice. If a student becomes financially ineligible after preregistering, his/her preregistration will not be processed unless and until his/her account balance is paid in full.

Although the University regularly mails bills to students, it cannot assume responsibility for their receipt. Students are urged to obtain a copy of their financial account in Room 1103 of the South Administration Building if they are not certain their account is paid in full. This office is open from 8:30 a.m. to 4:15 p.m. Monday through Friday and until 6:00 p.m. on Wednesday. Students may also obtain their account balance by phoning 454-4832.

All checks or money orders should be made payable to the University of Maryland for the exact amount due. The student's social security number must be written on the check. In cases where the University has awarded a grant, scholarship, or workship, the appropriate amount will be deducted on the bill mailed approximately one month after the start of the semester.

Students will be severed from University services for delinquent indebtedness to the University which occurs or is discovered during a semester. In the event that severance occurs, the individual may make payment during the semester in which services were severed and all these services except housing will be restored. For a student who lives in on-campus residence halls, and who fails to fully resolve any outstanding balance, the severance of housing services means that (1) the student must leave residence halls, (2) the student's room is assigned to another student, and (3) the severed student may reapply for housing services, if the account is later satisfactorily resolved and other University services are restored, and be placed last on a waiting list for available on-campus housing spaces. Students who are severed from University services and who fail to pay the indebtedness during the semester in which severance occurs will be ineligible to preregister or register for subsequent semesters until the debt is cleared. In the event of actual registration in a later semester by a severed student who had not settled the student account prior to that semester, such registration will be cancelled and no credit will be earned for the semester. For a student who is on board and who fails to resolve any outstanding balance, the severance of Dining Services means that the student will not be served meals until their student account is paid in full. No reimbursement will be made on meals not served during severance.

Restoration of Services Fee: $25.00. Students who fail to pay the balance due on their accounts will have their University services severed. In order to have the services restored, students will be required to pay the total amount due plus the $25.00 Restoration of Services Fee.

The State has established, under legislative mandate, a CENTRAL COLLECTIONS UNIT within the Department of Budget and Fiscal Planning. This campus has been instructed that all delinquent accounts must be transferred to the State Collections Unit.

ALL ACCOUNTS DUE FROM STUDENTS, FACULTY, STAFF, NON-STUDENTS, ETC. ARE INCLUDED WITHIN THESE GUIDELINES.

Collection Costs incurred in collecting delinquent accounts will be charged to the student. The University is required by State law to refer all past due accounts to the State Central Collections Unit. The minimum collection fee is 15% plus any attorney and/or court costs.

No degree will be conferred, no grade issued, nor any diploma, certificate, or transcript of record issued to a student who has not made satisfactory settlement of his or her account.

Billing Information

Bills for payment of fees are mailed in December 1981 to students who received preregistered courses for Spring 1982. Since the University has no deferred payment plan, PAYMENT IN FULL MUST BE MADE NO LATER THAN JANUARY 12, 1982 BY BOTH PREREGISTERED AND REGULAR REGISTRATION STUDENTS. Accounts not paid by January 12, 1982 are delinquent and subject to referral to the State Central Collections Unit at Baltimore.

For student convenience, payment by mail is encouraged; however, payment also may be made at the Office of the Cashier, South Administration Building. Students may pay in person at the Office of the Cashier, 8:30 a.m. to 4:15 p.m. Monday through Friday, where they are required to present a Student ID Card with payment. Also students, if paying by personal check, may drop the payment in the Mail Remittances hallway drop box beside Room 1108, South Administration Building, at any time that the building is open. If a student uses the drop box, the processed check will serve as a receipt.

Periodically during the semester bills will be mailed to students reflecting charges incurred for parking tickets, library fines, course adjustments, etc. These bills are due ON RECEIPT. THE UNIVERSITY CANNOT ASSUME RESPONSIBILITY FOR THEIR RECEIPT IF BILLS ARE NOT RECEIVED.

Students who have questions on their bills may obtain print-outs of their financial accounts by coming to Room 1103 of the South Administration Building between 8:30 a.m. and 4:15 p.m. Monday through Friday, and until 6:00 p.m. on Wednesday.

Each student is individually responsible for all of his or her fees and expenses. If a third party, such as an employer, agrees to pay these charges, the student is not relieved of his or her primary responsibility. In the event that such third party fails to honor its agreement, the University reserves the right to bill the students directly. Failure to pay this bill thereafter will result in the suspension of services to the student by the University and transference of the account to the State Central Collections Unit. WHEN A PAYMENT IS MADE TO THE UNIVERSITY, PAYMENT OF ANY OUTSTANDING BALANCE PRECEDES PAYMENT OF CURRENT INDEBTEDNESS. That is, the oldest account balance is liquidated first.

FAILURE TO PAY OUTSTANDING DEBTS WILL RESULT IN SEVERANCE OF UNIVERSITY SERVICES, INCLUDING THE $25.00 RESTORATION OF SERVICES FEE, AND TRANSFER OF THE ACCOUNT TO THE STATE CENTRAL COLLECTIONS UNIT. A MINIMUM OF 15% COLLECTIONS CHARGES ARE ADDED AT THIS TIME.

Remission of Fees for Faculty and Staff

Every semester an approved Authorization for Remission of Fees form must be turned in to the College Park Personnel Office (Room 1129, South Administration Building) in order to receive credit on the student bill for courses taken by faculty and staff members. Usually the authorizing department will forward this form directly to the Personnel Office. Each faculty and staff member should check with his department to ascertain that the proper forms have been submitted.

Published deadlines and procedures for admission, readmission or reinstatement and registration apply to University faculty and staff who wish to take courses.

Questions regarding admission? Contact Admissions Office, 454-5550.
Questions regarding registrations? Contact Registrations Office, 454-5559.
Questions regarding employee remission of fees? Contact Personnel Office, 454-6312.

Tuition Waiver Policy

(Employee Spouse and Dependent)

The University Board of Regents has approved a partial tuition waiver policy for the spouse and dependent children of full-time University employees. The policy will provide a waiver of one-third of the tuition charges only for eligible students.

The Partial Tuition Waiver forms are available at each campus Personnel Department. The completed form is to be returned to the campus personnel office where the student's spouse or parent is employed for approval. The student copy of the approved form will be returned to the student and should be maintained.

If the student has preregistered, the tuition waiver credit will appear on the student's account prior to the first day of classes. The tuition waiver credit may not appear on the preregistration bill, as this posting is determined by the date the completed form is returned to the campus Personnel Department. If the student registers during the Armory or late registration periods, or adds additional courses during these registration periods, the student copy must be presented at the Bursar's Office Bill Adding Station (Armory Registration) to avoid paying the full tuition amount.

If the student receiving the partial tuition waiver drops classes or withdraws from the University and is eligible for a refund, the refund computations will be made in such a way as to return the maximum amount to the tuition waiver account.

Financial Aid Information

Students on scholarships and grants are expected to maintain a semester credit load of 12 hours. Courses taken as "Audit" cannot be counted toward credit level. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University. Any student receiving financial aid who is contemplating dropping credits should see his/her financial aid counselor *before* taking such action.

Students sponsored by an agency or their employer remain responsible for their fees. When payment is not received by the University from the sponsor, the student will be charged.

Preregistered students' bills will be mailed. Students not preregistered will complete an estimated bill form at registration time. The following information may be helpful:

1. All University scholarships and grants (including BEOG, SEOG, and National Direct Student Loans) will be credited to the bill as designated in the award letter. If you have already paid your Student Account, you must submit in writing a request for a refund to the Office of the Bursar. The refund will take approximately five to six weeks to process after the credit balance appears on your Student Account and the refund request is received. If not credited on preregistered bill, deduct approved financial grant funds not needed to complete payment of the University bill will be available by check from the Office of the Bursar.
2. Financial aid will be credited to student accounts. A check for any balance remaining after charges are paid will be available for those students receiving financial aid. Financial aid checks will be disbursed to Preregistered students with 12 or more credit hours in the Office of the Bursar between the hours of 8:30 a.m.-12 noon, and 1:00 p.m.-4:15 p.m. Students who did not preregister may pick up their financial aid checks in the Armory after securing add slips for at least 12 credits. Preregistered students with less than 12 credits, or preregistered students with 12 or more credits who did not pick up their checks, may receive their checks in the Armory according to the following schedule:
   A-H January 11
   I-R January 12
   S-Z January 13
   Before a check can be distributed, students must present proof of the required credit hours and their plastic transaction card or driver's license.
3. Students who receive scholarships, grants, or loans after classes have begun and who have paid their Student Account for the award period must request a refund in writing from the Office of the Bursar. The refund will take approximately five to six weeks to process after the credit balance appears on the account and the refund request is received.
4. Other scholarships and grants paid to the University by an outside agency will be credited to the student's bill. (Exception — National Merit Scholarship checks will be available in the Office of the Bursar.)
5. Guaranteed Loan checks are distributed to students by the lending agency, except in those cases where the lending institution sends the check to the University directly. These checks are to be picked up at the Office of the Bursar, Room 1103, South Administration Building.
6. Dining Hall cash jobs will be paid bi-weekly to student as work is performed.
7. Dining Hall Workships (and other University Workships) will be credited to bill as designated in award letter.
8. College Work Study and other University student employment will be paid to the student bi-weekly as work is performed.
9. STUDENTS WHO RECEIVE A NATIONAL DIRECT STUDENT LOAN MUST SUBMIT PROPERLY EXECUTED PROMISSORY NOTES AND ASSOCIATED FORMS. The loan credit cannot be posted to the student's account nor a check disbursed if the student has not turned in these forms.
   A student who has not received final approval of a financial aid award and accepted the award should not expect a credit on his/her bill nor a check at the time of registration. No deferment will be granted and the student should be prepared to pay his/her bill by the first day of classes unless financial aid has been awarded and accepted by the student.

Deferments for repaying NDSL loans require that students be registered at least half time: undergraduate students — 6 credits; graduate students — 24 academic units.

10. Students on financial aid who withdraw during a semester will receive a letter of warning advising them that a second such withdrawal may cancel their eligibility for aid in subsequent semesters. Students contemplating a second withdrawal, whether consecutive or non-consecutive, should consult a Financial Aid Counselor prior to the withdrawal.
11. The University will only make adjustments to financial aid awards (due to an increase in the credit hours taken to maintain the required 12 credit hours) until the beginning of the next spring semester for students attending the fall semester and June 30 for students attending the spring semester.

Guaranteed Student Loan (GSL) Information

The normal processing time for a GSL application is 6 to 8 weeks. In order for your GSL check to be available by the Spring 1982 semester payment due date, you should have completed your loan application with your bank 6 to 8 weeks prior to January 13, 1982. Pending GSL applications and promissory notes may not be substituted in lieu of payment. The University does not have a deferred payment program and payments for the Spring 1982 semester charges are due on or before January 12, 1982.

Withdrawal from the University

January 13 and later

1. All students must report to Room 1130, North Administration Building, to complete a withdrawal form.
2. Withdrawal becomes effective on the date form is filed with the Office of Withdrawal and Re-enrollment. Stopping payment on a check does not constitute an official withdrawal.
3. A tuition credit adjustment will be initiated upon receipt of the withdrawal form. The amount of the adjustment is determined by the date the form is filed in the Withdrawal Office.
4. Registration, Health, Athletic, Shuttle Bus, and Student Union and Recreational Fees are not refundable. A base figure of $430.00 for resident students and $1,392.50 for non-resident students is used in computing the amount of the credit adjustment after January 12. Credit adjustments for housing services not utilized are based upon the date of completion of residence halls checkout procedures and not upon the date of withdrawal from classes.
5. Be certain to return all books to the library and clear all financial accounts at the Office of the Bursar, South Administration Building. Refunds for credit adjustments will be authorized after all student financial aid adjustments have been processed and any balance remaining on the account has been deducted.

*Students who have made no payment on their account at the time of withdrawal will be billed according to the above schedule.

Withdrawal and Refund of Fees

No part of the charges for room and board is refundable except when the student officially withdraws or is dismissed from the University or when the student effectively completes residence halls and/or dining services release procedures. When the student completes the residence hall release procedures, charge adjustment will be computed based upon the requested release date and/or the date procedures for checking out of a room assignment are completed. Credits for housing services are made on a pro rata weekly basis.

In computing refunds to students who have scholarships and loans from University funds, the computation will be made in such a way as to return the maximum amount to the scholarship and loan accounts without loss to the University.

A part-time or full-time undergraduate who drops MATH 001 will receive an 80% refund of the $75.00 fee if the course is dropped during the first five (5) days of classes and 0% thereafter. MATH 001 will still be counted in the determination of hours for full-time or part-time status, notwithstanding the refund policy.

A part-time or full-time undergraduate student who drops COOP 208, 209, or ENCO 408, 409 will receive an 80% refund of the fee if the course is dropped during the first five (5) days of classes and 0% thereafter.

Refunds

To obtain a refund of a credit balance, a STUDENT must request the refund in writing. This can be done by: (1; addressing a letter to: Office of the Bursar, University of Maryland, College Park, Md. 20742, or (2) completing a request for refund form available at the Student Counter, 1103 South Administration Building and Withdrawal Office, Registrations Office and Student Aid Office, North Administration Building. NO CREDIT BALANCE IS AUTOMATICALLY REFUNDED. Approximately five to six weeks is required from the time a credit balance appears on the account and a refund request is received until a check is mailed from: The State Treasurer's Office in Annapolis. THE CHECK WILL BE MADE PAYABLE TO THE STUDENT and mailed to the address requested by the student on the refund form. Refund checks will not be mailed to a campus address.

Withdrawal from Residence Halls and/or a Meal Plan

1. In order to receive a credit adjustment for the unused portion of a Resident Life or Dining Service agreement, a student must notify those offices in writing or in person.
2. The Dining Service I.D. Card must be turned in to the Dining Service Business Offices or $7.00 fine will be incurred.
3. A student who requests cancellation of his/her Dining Services Agreement must have the approval of the Department of Dining Services. If approved, there will be a $20.00 charge for cancelling the contract in addition to the prorated charge for meals.
4. The addresses of the Resident Life Office and Dining Services Office follow:

Academic Information

The changes in academic information described on the following pages became effective August 1973 and are applicable only to course work for August 1973 and after.

Retention and Graduation

The University has minimum requirements for retention and graduation. A complete statement of these requirements are located in the *Undergraduate Catalog*.

Outlined below are certain provisions of the ACADEMIC RETENTION PLAN. This material, which was prepared by the Undergraduate Advisement Office, is to assist you in schedule planning and schedule change. It is *not* meant as a substitute for a thorough reading of "Requirements for Retention and Graduation," as found in the *Undergraduate Catalog*.

Table I

The College Park Retention Plan is based on (1) QUALITY POINTS *and* (2) CUMULATIVE AVERAGE. Here's how to compute both.

(1) QUALITY POINTS (Q.P.'s): For each semester, Q.P.'s are awarded for grades of A, B, C, D, P, and S.

A Q.P. is the *numerical equivalency* of a *letter grade*. Course Q.P.'s are obtained by multiplying these numerical equivalencies by the number of credits the course has. To figure how many Q.P.'s you have earned, or expect to earn, for each of your courses, use the following table:

Q.P.'s given for expected or actual grade		Number of Credits in The Course		Total Quality Points for the Course
A = 4 B = 3 C = 2 P = 2* S = 2* D = 1 F = 0	×		=	

EXAMPLE: Semester Schedule of 15 Credits —

Course	*Grades*	*Credits Earned*	*Q.P.'s*
ENGL 101	C	3	6
MATH 110	B	3	9
ZOOL 101	A	4	16
EDIN 101	P*	2*	4*
PSYC 100	D	3	3

*These count only in figuring your Q.P.'s for the semester. They are not counted in your cumulative average.

(2) CUMULATIVE AVERAGE: Your cumulative average is based on TOTAL CREDITS which you've been assigned a Grade of A, B, C, D, or F — and the TOTAL NUMBER OF QUALITY POINTS you've earned for these courses. (See Note below for Repeated Courses.) Courses for which a Grade of "P" or "S" has been assigned are NOT included. To figure your cumulative average do the following:

NUMBER OF Q.P.'s EARNED ÷ NUMBER OF CREDITS ATTEMPTED = CUMULATIVE AVERAGE

EXAMPLE: Semester Schedule of 15 Credits (See Example Above)

Course	*Grades*	*Credits Attempted*	*Q.P.'s*	*Cumulative Average*
ENGL 101	C	3	6	
MATH 110	B	3	9	
ZOOL 101	A	4	16	Q.P.'s Earned — 118
EDIN 101	P	(2)	(4)	÷
PSYC 100	D	3	3	Credits Attempted — 40
	Current Semester Totals	13	34	=
	Previous Semester Totals	27	84	2.95
	Total Credits	40	118	

Note: If you repeat a course that you took in the Fall Semester, 1973, or any semester since then, count only credits and quality points for the higher grade received for that course when figuring total credits attempted and total quality points.

Table II

MINIMUM QUALITY POINT REQUIREMENT:

If, at the end of Schedule Adjustment Period (First 10 days of classes) you are officially registered for:

12 or more credits	11-9 credits	8-1 credits
You must earn for this semester a minimum of:		
24 Quality Points	22 Q.P.'s for 11 credits	
24 Quality Points (On grades of A, B, C, D, P, and S. Marks of F, W, and I do not confer Quality Points)	22 Q.P.'s for 11 credits 20 Q.P.'s for 10 credits	For part-time students there is no minimum quality point requirement.
Note: See Table III, below for exceptions	18 Q.P.'s for 9 credits	Note: If you have completed 45 credits, you must fulfill the cumulative average requirement, below.

CUMULATIVE AVERAGE REQUIREMENT:

If at the end of last semester, your total number of credits completed was 45* or more, then at the end of this semester you must have:

The Minimum Quality Point Requirement (Full-time Students — 9 or more credits) *and* A Cumulative Grade Point Average of 1.95 (Full-time *and* Part-time Students)

*On your grade report for last semester, add "hrs. attempt." and "transfer credit level" and pass-fail courses to see if you have 45 or more.

Credits completed with grades of A, B, C, D, and F, but not S, W, P or I will be used in the computation of the cumulative average.

If these requirements are not met, Academic Probation will result. Two consecutive or four non-consecutive semesters of Academic Probation will result in Academic Dismissal.

Table III

Are you registering at the College Park Campus for the *First Time*? If so, then here's what you need to earn in your first semester for the Retention Plan:

A. FULL-TIME FRESHMAN[2] with no more than 8 credits earned through prior college/university	B. FULL-TIME TRANSFER[3] STUDENT with 44 or fewer credits accepted for transfer —	C. FULL-TIME TRANSFER STUDENT with 45 or more credits accepted for transfer —
18 Q.P.'s	18 Q.P.'s	1.95 Cumulative Average

Note: To meet this requirement, students registering for 12 or more credits would have to earn at least 24 Q.P.'s. Students registering for 9 credits would have to earn 18 Q.P.'s; 10 credits — 20 Q.P.'s; 11 credits — 22 Q.P.'s.

[2](i.e., students registered for 9 or more semester hours)

[3]"Full-Time Transfer Student" includes students transferring from other University of Maryland campuses. Grade Point Averages, Semester Hours Attempted, Semester Hours Earned, and Quality Points from the other campus(es) are included in all College Park calculations.

Marking System

1. The following symbols are used on the student's permanent record for all courses in which he is enrolled after the initial registration and schedule adjustment period: A, B, C, D, F, I, P, S, and W (Instructors are not permitted to change a grade of "W".) These marks remain as part of the student's permanent record and may only be changed by the original instructor on certification, approved by the department chairman and Divisional Office, that an actual mistake was made in determining or recording the grade.
2. The *mark of A* denotes excellent mastery of the subject. It denotes outstanding scholarship. In computations of cumulative or semester averages a mark of A will be assigned a value of 4 quality points per credit hour.
3. The *mark of B* denotes good mastery of the subject. It denotes good scholarship. In computations of cumulative or semester averages a mark of B will be assigned a value of 3 quality points per credit hour.
4. The *mark of C* denotes acceptable mastery. It denotes the usual achievement expected. In computations of cumulative or semester averages a mark of C will be assigned a value of 2 quality points per credit hour.
5. The *mark of D* denotes borderline understanding of the subject. It denotes marginal performance, and it does not represent satisfactory progress toward a degree. In computations of cumulative or semester averages a mark of D will be assigned a value of 1 quality point per credit hour.
6. The *mark of F* denotes failure to understand the subject. It denotes unsatisfactory performance. In computations of cumulative or semester averages a mark of F will be assigned a value of 0 quality points per credit hour.
7. The *mark of P* is a student option mark, equivalent to A, B, C, or D. (See PASS-FAIL option.) The student must inform the Office of Registrations of his selection of this option by the end of the schedule adjustment period. In computations of cumulative averages a mark of P will not be included. In computation of quality points achieved for a semester, a mark of P will be assigned a value of 2 quality points per credit hour.
8. The *mark of S* is a department option mark which may be used to denote satisfactory participation by a student in progressing thesis projects, orientation courses, practice teaching and the like. In computation of cumulative averages a mark of S will not be included. In computation of quality points achieved for a semester, a mark of S will be assigned a value of 2 quality points per credit hour.
9. The *mark of I* is an exceptional mark which is an instructor option. It is given only to a student whose work in a course has been qualitatively satisfactory, when, because of illness or other circumstances beyond his control, he has been unable to complete some small portion of the work of the course. In no case will the mark I be recorded for a student who has not completed the major portion of the work of the course. The student will remove the I by completing work assigned by the instructor. It is the student's responsibility to request arrangements for completion of the work. An "Incomplete Contract" should be drawn up between student and instructor outlining these arrangements. A copy of this is to be filed in the Department Office. The work must be completed by the end of the next semester in which the course is again offered and in which the student is in attendance at the College Park Campus; otherwise the I becomes terminal (equivalent to W). Exceptions to the time period cited above may be granted by the student's Dean or Divisional Officer upon the written request of the student if circumstances warrant further delay. If the instructor is unavailable, the department chairman will, upon request of the student, make appropriate arrangements for the student to complete the course requirements. It is the responsibility of the instructor or department chairman concerned to return the appropriate supplementary grade report to the Office of Registrations promptly upon completion of the work. The I cannot be removed through registration for the course or through the technique of "credit by examination." In any event this mark shall not be used in any computations.
10. The *mark of W* is used to denote that the student withdrew from a course in which he was enrolled at the end of the Schedule Adjustment Period. For information and completeness, the mark "W" is placed on the permanent record by the Registrations Office. This mark shall not be used in any computation of quality point or cumulative average totals at the end of the semester. However, this mark does not change the minimum number of quality points a student is required to achieve based on registration at the end of the Schedule Adjustment Period.
11. *Audit.* A student may register to audit a course or courses in which space is available. The notation AUD will be placed on his transcript for each course audited. A notation to the effect that this symbol does not imply attendance or any other effort in the course will be included on the transcript in the explanation of the grading system.

Credit by Examination
(Undergraduate Students)

1. Credit may be earned by examination for any undergraduate course, for which a suitable examination has been adopted or can be prepared by the department granting the credit.
2. It should be noted that CREDIT BY EXAMINATION MAY NOT BE TAKEN TO SATISFY ANY COURSE IN WHICH ONE HAS BEEN REGISTERED BEYOND THE SCHEDULE ADJUSTMENT PERIOD INCLUDING ANY RETROACTIVE DROPS OR WITHDRAWALS.
3. When standardized CLEP (College Level Examination Program) examinations are available, they may be used. Students who wish to consider taking an examination to establish credit, through a particular department or CLEP, should consult the Director, Special Advising Programs in the Undergraduate Advising Center.
4. Any student may take a course by examination by obtaining an application form from Dr. Helen Clarke (Room 3147, Hornbake Undergraduate Library), paying the requisite fees, and taking the examination at a time mutually agreeable to the student and the department offering the course.
5. The applicant must be formally admitted to the University of Maryland. Posting of credit, however, will be delayed until the student is registered.
6. Application for credit by examination is equivalent to registration for a course. However, the following conditions apply:
   A. A student may cancel his application at any time prior to completion of the examination with no entry on his permanent record. (Equivalent to the schedule adjustment period.)
   B. The instructor makes the results of the examination available to the student prior to formal submission of the grade. Before formal submission of the grade, a student may elect not to have this grade recorded. In this case a symbol of "W" is recorded. (Equivalent to the drop procedure.)
   C. No course may be attempted more than twice.
   D. The instructor must certify on the report of the examination submitted to the Registrations Office that copies of the examination questions or identifying information in the case of standardized examinations, and the student's answers have been filed with the Chairman of the department offering the course.
7. Letter grades earned on examinations to establish credit (if accepted by the student) are entered on the student's transcript and used in computing his cumulative grade point average. The quality points earned on credit by exam are not counted in the current semester's quality point total. A student may elect to take an examination for credit on a "Pass-Fail" basis under the normal "Pass-Fail" regulations.
8. Undergraduate students may earn by examination no more than half the credits required for the degree.
9. Fees for Credit by Examination:
   A. Fees for CLEP (College Level Examination Program) and other standardized examinations:
      (a) Fees for these examinations are determined externally and are not altered by the University. Credits earned by taking such examinations are treated as transfer credits.
   B. Fees for University administered examinations to establish credit:
      (a) All undergraduate students are charged $30.00 for each course examination regardless of the number of credits. This fee is paid upon application for the examination and is not refundable regardless of whether or not the student completes the examination.

Undergraduate Pass-Fail Option

1. An **undergraduate** who has completed 15 or more credit hours at the College Park Campus and has a cumulative average of at least 2.00 may register for courses on the PASS-FAIL option during any semester or summer session.
2. Certain divisional requirements, major requirements or field of concentration requirements do not allow the use of the PASS-FAIL option. Certain courses within a department may be designated by that department as not available under the PASS-FAIL option. It is the responsibility of each student electing this option to ascertain in conjunction with his Provost, Dean, department or major advisor, whether the particular courses will be applicable to his degree requirements under the PASS-FAIL option.
3. No more than 20 percent of the College Park campus credits offered toward the degree may be taken on the PASS-FAIL option basis.
4. Students registering for a course under the PASS-FAIL option are required to complete all regular course requirements. Their work will be evaluated by the instructor by the normal procedure for letter grades. The instructor will submit the normal grade. The grades A, B, C, or D will automatically be converted by the Office of Registrations to the grade P on the student's permanent record1sIn computation of cumulative averages a mark P will not be included. In computation of quality points achieved for a semester a mark of P will be assigned a value of 2 quality points per credit hour. The grade F will remain as given. The choice of grading option may be changed only during the schedule adjustment period for courses in which the student is currently registered.

NOTE: Changes of grading option (e.g., Regular to PASS-FAIL) may be processed only during the first ten days of classes.

GRADUATE — Not eligible for the PASS-FAIL grading option.

Commencement Honors

Honors for excellence in scholarship are awarded to not more than ten percent (10%) of the graduating class in each degree granting unit. Summa Cum Laude is offerd to the highest two percent (2%), Magna Cum Laude is offered to the next three percent (3%), and Cum Laude to the next five percent (5%). These percentages will be applied to the Grade Point Averages of the students in the preceding three graduating units. To be eligible for this recognition, a total of at least 60 semester credits earned at the University of Maryland is required. Of these 60 credits, at least 30 credits must have been earned at the College Park campus. No student with an average of less than 3.00 will be considered. (The computation of the average does not include grades for courses taken during the last semester of registration before graduation, although the hours earned for that semester will apply toward the 60-hour requirement.)

Foreign Language Placement

Arts and Humanities Requirements: If a student has had three years of one foreign language or two years in each of two foreign languages as recorded on his/her high school transcript, he or she is not required to take any foreign language in the division, although he or she may elect to do so. However, the College of Journalism requires completion either by course work or placement, of any intermediate language level (104, 115). The School of Architecture has no foreign language requirement.

Classics Department: Students who have had Latin in high school are encouraged to work at the highest level of which they feel capable. The departmental advisor, Professor Gregory Staley (Foreign Languages Building, Room 4210) will help students identify the appropriate courses in which to enroll. Normally students with less than one year of high school Latin take LATN 101. Those who enter with a full year of high school Latin register for LATN 102; with two full years, LATN 203. College credit is given to students who have earned a 3, 4, or 5 on the Advanced Placement Test in Latin.

French Department: A departmental placement exam will be given to *all* students registering *for the first time* on this campus for French language courses in the basic and intermediate sequence (100 level and 201 and 211). The examination will be administered in the language laboratory of the Language Media Center during the week prior to preregistration, during preregistration and during registration week from 8 a.m. to 3 p.m. The exam may be taken during those hours at the student's convenience. Students should take this examination before registering so that they may be placed at the proper course level. Results will be available in the Department of French and Italian, room 3106D. CEEB French Achievement test scores will be accepted on an equivalent basis with the placement exam. Meanwhile, those wishing to register *prior* to taking the exam may find the following guidelines helpful: French 101 for those with less than two years of French; French 103 or 104 for those with two years or more. *Do not register for 102 unless you have had French 101 on this campus.* As French 101, 103 and 121 (Accelerated French I) treat similar material, credit will normally be granted for *only one.* "Audit," however, is permitted. Likewise, credit will normally be granted for French 104 *or* French 122 (Accelerated French II), but not for both. Again, the option of "Audit" remains open.

Spanish Department: Students who have had at least two years of high school Spanish, and who wish to continue to resume their study of that language, are urged to take the placement exam if (1) they feel uncertain of their ability to take Spanish 203 or (2) they wish to be exempted from Spanish 203. Students who have taken the CEEB Spanish Achievement Test should submit their achievement scores in lieu of taking the University's placement exam. A student with two or more years of high school Spanish may take Spanish 101 for credit provided he or she obtains the permission of the Chairman of the Department. Students starting in Spanish 101 must follow the prescribed sequence of Spanish 101, 102, and 203. Students who feel uncertain of their ability to take Spanish 203 may choose to take Spanish 103 (a one semester review course) without taking the University placement exam. Spanish students placing in 103 must complete 203 to satisfy the divisional language requirement. Students placing in 203 are required to complete 203 only. Students placing above 203 or who have taken the equivalent of 203 at another institution, are deemed to have satisfied the language requirement.

German and Spanish Placement Exam Schedule:
During the semester there will be placement testing in Room 0106, Shoemaker Building. To be admitted for testing, students must have a picture I.D. Testing during Registration will be Tuesday, January 12 and Wednesday, January 13 at 3:00 p.m. in the Testing Room, Shoemaker Building. Bring a picture I.D. in order to be admitted. All other times ca[illegible] R. Williams (x2931) for appointment.

General University Requirements (G.U.R.)

Students who began baccalaureate study prior to May, 1980 may elect to complete these requirements rather than the University Studies Program requirements. (See page 19.)

Effective August 1973, new GENERAL UNIVERSITY REQUIREMENTS replaced the General Education Requirements. Students enrolled in the University prior to August 1973 have the option of completing either the old General Education Requirements or the new General University Requirements. *All students first entering the University in August 1973 or after must complete the new General University Requirements.*

GENERAL UNIVERSITY REQUIREMENTS consist of 30 semester hours of credit distributed as described below:

1. At least 6 credits must be taken in each area. At least 9 of the 30 semester hours must be taken at the 300 level or above. None of the 30 hours may be counted toward published departmental, college or divisional requirements for a degree. Students may select either the pass-fail or letter grading option for these courses as outlined in this Schedule (See Pass-Fail Option).
   Area A: 6-12 hours elected in the Divisions of Agricultural and Life Sciences; Mathematical & Physical Sciences & Engineering.
   Area B: 6-12 hours in the Divisions of Behavioral and Social Sciences; Human and Community Resources.
   Area C: 6-12 hours in the Division of Arts and Humanities.
   In meeting these area requirements, students may choose from among any undergraduate courses for which they are qualified. Students are urged to consult with academic advisors for guidance in determining which courses in each area best fit individual needs and interests.
2. New freshman students who entered the University during Summer Session, 1978, or who were admitted for Fall semester, 1978, must complete six credits of English composition. The specific required courses are ENGL 101 *and* ENGL 391 or 393. Exemptions based on SAT-VERBAL scores and ADVANCED PLACEMENT scores are allowed. Questions about exemptions for individual students should be referred to the English Department, extension 4160.
   Only three credits of the required six credits in English Composition may be applied toward fulfilling General University Requirements. When used, these three credits may be *in addition to* the twelve-credit maximum in Area "C." None of the composition credits, however, may be used to satisfy the minimum six-credit requirement for Areas "A," "B," "C," *or* the nine-credit upper division requirement.
   The English Department strongly advises entering freshmen to fulfill the first composition requirement during their first year of coursework. Since junior standing is a prerequisite for ENGL 391 and 393, students should register for the second semester of composition only after having earned fifty-six semester hours of credit.
   To further define "area" this chart has been prepared by the Advisor's Workshop. On the chart is listed the prefix of all courses offered on the College Park campus. The prefixes are listed according to which area (A, B, or C) of the General University Requirements they will meet.

NOTE: Students who began baccalaureate study after May, 1978 must complete the English composition requirement specified in the Fundamental Studies section of the University Studies Program (see page 19). Only three hours of this six hour requirement may be used to satisfy General University Requirements.

The University Studies Program

Virtually all American colleges and universities ask that students receiving a baccalaureate degree complete a common set of requirements. These common requirements are usually referred to by the generic term "general education." General education requirements represent a faculty's definition of the knowledge, awarenesses and skills that all graduates should possess before that faculty will give its consent to the awarding of a degree. General education is that portion of the degree requirements in which the entire faculty has a concern.

The University Studies Program is the general education requirement at the University of Maryland, College Park. This program must be completed by all students beginning baccalaureate study after May, 1980. It is intended to provide students with the intellectual skills and conceptual background basic to an understanding of the universe, society and themselves. The focus is not on any particular bodies of knowledge, for almost any subject matter can lead to an awareness of general modes of understanding the world. Thus, for example, it does not matter whether the student studies physics or botany as long as he or she comes away from the course with some understanding of the power of the empirical investigation that characterizes science.

The University Studies Program has three parts. The "Fundamental Studies" section of the program is intended to establish the student's ability to participate in the discourse of the university through demonstrated mastery of written English and mathematics. Those requirements are to be completed early in the student's program in order to serve as a foundation for subsequent work.

The "Distributive Studies" requirement is intended, through study in particular disciplines, to acquaint students with the different ways of analyzing and talking about the world that characterize the three areas into which the university's knowledge is traditionally divided: the physical and biological sciences, the social and behavioral sciences, and the arts and humanities. The fourth category, "History and Culture," includes courses that lead to the consideration of historical and cultural differences and the relationship of our own society to those of other times and places.

In fulfilling "Distributive Studies" requirements, students will have gained some experience of the way in which scholars in different kinds of disciplines make and organize observations about the world and arrive at general statements. It is the purpose of "Advanced Studies" courses to show how these different intellectual approaches compare with each other or may be used in complementary ways to analyze and solve problems. "Development of Knowledge" courses deal with the basis upon which people who use these different approaches claim to know something and the different kinds of insights to which these intellectual strategies lead. "Analysis of Human Problems" courses consider these matters in terms of specific cultural, social, scientific or aesthetic problems which may be approached from several points of view.

The University Studies requirements, designed to be spread throughout the student's four years, represent a third of the total academic work required for graduation. It is the purpose of this program, in combination with the extensive work of the major, to help prepare students to become productive, aware and sensitive members of society, capable of understanding their world and the many kinds of people in it and of taking responsibility for their own decisions and their own lives.

Outline of the Program

These requirements are effective for students beginning baccalaureate study in May, 1980 or thereafter.

I. FUNDAMENTAL STUDIES — 9 credits (Except for ENGL 391 or 393, must be completed by the time student has completed 30 credit hours).
   A. English Composition — 6 credits
      1. ENGL 101 — 3 credits
         a. Students with TSWE score below 33 take ENGL 103-105-106 (1 credit).
         b. Students with SAT verbal 600 or above are exempt.
         c. Students with AP score of 4 or 5, or an AP of 3 plus SAT verbal of 600 or above are exempt and earn 3 credits for ENGL 101 and 3 credits for ENGL 102.
      2. ENGL 391 (Junior Level Expository Writing) or 393 (Technical Writing) — 3 credits
         a. Must be taken *after* student has completed 56 credit hours (i.e., has reached junior standing).
         b. Students with SAT verbal 700 or above or A in ENGL 101 or AP of 4 or 5 are exempt.
   B. Mathematics — 3 credits
      MATH 110 (or the modular equivalent MATH 102-3-4) or MATH 115.
      1. Students with the following minimum examination scores or higher are exempt:

III. ADVANCED STUDIES — 6 credits
   This requirement may be fulfilled only *after* the student has completed 56 credit hours. It is intended that, in fulfilling this requirement, students choose courses that offer a contrast to the major rather than supplementing it. Courses to fulfill these requirements must be from *two different* units outside the department of the student's major.
   A. The Development of Knowledge (1 course, 3 credits)
      Courses which focus on the creation, discovery, exploration, testing and evaluation of knowledge in one or more disciplines.

Advisement Information

Advisement

UNDERGRADUATE — Advising is an essential part of an undergraduate's educational experiences at the University of Maryland. From orientation to graduation, it can provide the kind of concerned assistance that helps students better understand their purposes for "being in college."

For most students, advising is not required. This allows individual students to decide, on the basis of personal circumstances and needs, whether or not to see an advisor. There are some groups of students, though, who *must* obtain advising assistance. These include:

NEWLY ADMITTED FRESHMEN AND TRANSFER STUDENTS, STUDENTS ON ACADEMIC PROBATION, STUDENTS SEEKING REINSTATEMENT AFTER DISMISSAL OR WITHDRAWAL, and STUDENTS NEARING SENIOR STATUS.

Undergraduate students at the College Park Campus are encouraged to use the many advisement opportunities that are available to them. At all academic levels — divisional, college, and departmental — at least one person has been designated to coordinate advising. A list of these persons, providing name, room number, and telephone extension is published each semester in the *Schedule of Classes.* Students who are unable to locate an advisor or who have questions about campus advising programs should visit or call the Undergraduate Advising Center, Room 3151 Undergraduate Library, 454-2733 or 454-3040.

GRADUATE — Graduate students preregistering or registering for courses must have the approval of their program advisors in order to make certain that the minimum Graduate School and program requirements are being satisfied, particularly in the case of degree seekers.

Credit Limits

UNDERGRADUATE — limited to **19 semester hours**
Any exceptions must be approved by the Dean or Provost. Forms for this purpose will be available in the Dean's or Provost's Office and should be turned in with Registration materials.

GRADUATE — limited to **15 semester hours**

GRADUATE STUDENTS WITH A TEACHING OR RESEARCH ASSISTANTSHIP — limited to **10 semester hours**

Full-Time Status

Effective August 1973, official status (either full-time or part-time) *for academic purposes* will be determined on the basis of a student's registration at the end of the Schedule Adjustment Period. The Schedule Adjustment Period is defined as the first ten days of classes.

UNDERGRADUATE — Full-time — Registered for 9 or more semester hours at the end of the Schedule Adjustment Period. Note, however, that students on scholarships and grants are expected to maintain a semester credit load of 12 hours. If the registration of a student with a scholarship or grant falls below the required credit hours, the scholarship or grant is automatically cancelled. Cancellation of a scholarship or grant without subsequent payment of amounts due will lead to an indebtedness to the University. Such indebtedness can in turn lead to severance of services by the University.

GRADUATE — Full-time — Registered for minimum of 48 graduate *units* at the end of the Schedule Adjustment Period.

GRADUATE STUDENTS WITH TEACHING OR RESEARCH ASSISTANTSHIP — Full-time — Registered for minimum of 24 graduate *units* at the end of the Schedule Adjustment Period.

INTERNATIONAL STUDENTS — Full-time status for international students is discussed on page 10.

Table for Computing Graduate Units

Course Number	Graduate Unit
000-399	2 units per credit hr.
400-499	4 units per credit hr.
500-599	5 units per credit hr.
600-898	6 units per credit hr.
799	12 units per credit hr.
899	18 units per credit hr.

Course Numbering System

UNDERGRADUATE — eligible to register for courses numbered 000-499.
Freshmen and sophomores may not take 300-499 numbered courses. Any exceptions require special permission from the Dean or Provost.

GRADUATE — eligible to register for courses numbered 400-899.

Course Numbering System

Number	Eligibility
000-099	Non-credit course
100-199	Primarily freshman course
200-299	Primarily sophomore course
300-399	Junior, senior course not acceptable for credit toward graduate degrees
400-499	Junior, senior course acceptable for credit toward some graduate degrees
500-599	Professional School course (Dentistry, Architecture, Law, Medicine) or post-baccalaureate course
600-899	Course restricted to graduate students
799	Masters Thesis credit
899	Doctoral dissertation credit
	Courses with last digit of 8 or 9 can be repeated for additional credit

Undergraduate Student Classifications

Freshman	1-27 semester hours
Sophomore	28-55 semester hours
Junior	56-85 semester hours
Senior	86 to at least 120 semester hours

Zero-Level Courses

FOLA 001 FOLA 002 GERM 001 MATH 001* RUSS 001

Although these courses carry credit for billing and status purposes, they are regarded as having zero credit for academic calculation purposes. Therefore, these courses are excluded from the calculation of credits registered at the end of the Schedule Adjustment Period, from the calculation of quality points and from the calculation of cumulative grade point averages.

*Math 001 fees are also discussed under Fees and Expenses.

Some facts that will curl your hair.

If you've been thinking about giving yourself a home perm, there's something you should know. The reason perms curl your hair is because they literally rearrange the molecules within the hairshaft permanently. Whether you end up with soft waves or frizz depends on how, and how much those molecules are rearranged. At our salon, our stylists are trained in the chemistry of permanent waving. They don't take it lightly. Before each perm, you can ask them to analyze your hair to be sure it can take the chemical change and come through it beautifully. So don't risk your hair's beauty. Come into our salon and make a permanent change—for the best!
